THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 14th edition places an even greater emphasis on the global context of American history through a new feature, Thinking Globally. Revised primary source features excite student interest and help them learn to examine documents the way historians do. Additional pedagogical features make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

USAs historie indtil 1996

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers begin putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.
