Aqua Lung, the original pioneer of the scuba regulator, brings you the most capable, coveted and advanced line of regulators ever created: This is the new LEG3ND, a masterpiece of engineering, built for all conditions, all depths and all dives.

*Introducing the Leg3nd | Leg3nd Regulators - Aqua Lung*  
Aqualung's Legend series has been around for many years, first appearing in the line-up back in 2002, with a Mark II version in 2012.

*WORLD EXCLUSIVE REVIEW: AquaLung Leg3nd Regulator Series ...*  
Where there's no moisture, there's no ice: The LEG3ND's integrated dry chamber keeps inner components clean and dry by isolating them from the outside environment ...

*Scuba Regulator | Diving Regulator | LEG3ND - Aqua lung ...*  
Aqua Lung's premier and iconic line of Legend regulators feature an overbalanced diaphragm designed to provide excellent breathing performance. The Legend range features premium engineering, with such features as our unique Auto-Closure Device (ACD). With the ACD, divers don't have to worry that water or silt will enter the first stage.

*Aqua Lung Legend Regulator, DIN 129610 - LeisurePro*  
Aqua Lung's premier and iconic line of Legend regulators feature an overbalanced diaphragm designed to provide excellent breathing performance.

*Aqua Lung Leg3nd MBS Regulator - LeisurePro*  
Where there's no moisture, there's no ice: The LEG3ND's integrated dry chamber keeps inner components clean and dry by isolating them from the outside environment; Deep ribs create a large heat exchange surface area that helps to prevent ice forming on the mechanism (+30% vs Glacia / +70% vs Legend 2)

*Diving Regulator | LEG3ND ELITE - Aqua Lung*  
Legend LX - DIN Aqua Lung Regulator - Legend LX with DIN Adapter. If you want the same high performance features and ease of breathing as the Legend LUX but without the pink gold finish, you will find it with the Legend LX. Like the Legend LUX, the Legend LX features the Master Breathing System (MBS).

*Legend LX - Aqua Lung Global - Personal Aquatic Equipment ...*  
Aqua Lung is the name that introduced the world to scuba diving in 1943, when Jacques-Yves Cousteau and Émile Gagnan developed the first "aqua-lung" demand regulator.

*Aqua Lung - Global - Aqua Lung Global - Personal Aquatic ...*

Legend Octopus To compliment the Legend regulator family, Aqua Lung created the Legend octopus. This high-visibility, yellow version of the Legend second stage is ideal to complete your system. This product qualifies for Free Parts for Life

(Book). This book is a virtual encyclopedia of great electric guitar players, with 35 chapters examining the major players in each important era of rock. The book begins with rock's birth from the blues, covering masters like Robert Johnson and Muddy Waters. It proceeds to cover rockabilly greats like Chuck Berry, Bo Diddley, Buddy Holly; through the mop tops and matching suits of the British Invasion; to the psychedelia of the Dead and Hendrix; glam rock's dresses and distortion; fusion virtuosos like Metheny, Gambale, and Henderson; metal masters; shred stars; grunge gods; grindcore; and much more. Legends of Rock Guitar is not only a great resource for guitar fans, but an interesting and well-researched chronology of the rock idiom.

This one-of-a-kind reference investigates the music and the musicians that set the popular trends of the last half century in America. • Contains an alphabetical collection of entries that each profile a major group and band from the past 60 years • Provides a selected discography and bibliography for further listening and reading for each entry • Covers a wide variety of styles from classic rock to surf rock to hip hop • Features sidebar entries which tie together larger popular music concepts such as the rise and influence of MTV and the phenomenon of girl bands

"Zambian Music Legends is a marathon journey into the history of Zambian music. This journey surveys the wonderful art from its traditional function in the distant past to the presenet era where 'Zam-ragga' and hip hop have taken root. The book also plays tribute to the often unsung heroes who have devoted their lives and careers to the growth of the music industry. Music is an essential mass media tool that contributes to the socio-cultural development of society. As a result of this the book further attempts to look at the role music has played in shaping the socio-cultural and economic development of the country"--Cover.

Formed in 1968, Jethro Tull are one of rock's most enduring bands. Their 1971 album Aqualung, with its provocative lyrical content and continuous music shifts, is Tull's most successful and most misunderstood record. Here, music professor and fan Allan Moore tackles the album on a track-by-track basis, looking at Ian Anderson's lyrics and studying the complex structures and arrangements of these classic songs. EXCERPT It was buying your first great-coat that did it. That image of a crazy, probably dangerous individual with unkempt hair, strangely wandering eyes and an inability to keep both feet on the floor at the same time, as seen on Top of the Pops when Jethro Tull and his anonymous backing musicians performed 'Witch's Promise' in 1970, remains to this day one of the most striking I can recall. And when the great-coat appeared in all its glory clothing Jethro's alter ego on the cover of Aqualung, it was clear to us that we were insiders, that we lived in exactly the same crazy world, that we 'knew what it was all about', even if we actually hadn't a clue.
