Archery

Archery is the art, sport, practice, or skill of using a bow to shoot arrows. The word comes from the Latin arcus for bow. Historically, archery has been used for hunting and combat. In modern times, it is mainly a competitive sport and recreational activity.

3D Archery takes the archery range into the woods, introduces unique angles, and creates new ways to have fun with a bow. This discipline gets its name from the three-dimensional animal targets that challenge archers at each station. The targets range from small skunks to massive elk, and are set along a course that resembles a hiking trail.
