## AN ESSAY ON CRIME AND PUNISHMENT

An immediate punishment is more useful; because the smaller the interval of time between the punishment and the crime, the stronger and more lasting will be the association of the two ideas of Crime and Punishment: so that they may be considered, one as the cause, and the other as the unavoidable and necessary effect. It is demonstrated, that the association of ideas is the cement which unites the fabric of the human intellect; without which, pleasure and pain would be simple and ineffectual ...
