2020 The Gospel Coalition Book Award - Academic Theology. With Israel's exodus out of Egypt, God established a pattern to help us understand the salvation of all his people: Israel and the nations through Jesus Christ. In Exodus Old and New, L. Michael Morales examines the key elements of three major redemption movements in Scripture: the exodus out of Egypt, the second exodus foretold by the prophets, and the new exodus accomplished by Jesus Christ.

Exodus Old and New: A Biblical Theology of Redemption ...

Exodus Old and New is a remarkable, compelling and deeply insightful exploration of the Exodus theme in Scripture. Dr Morales demonstrates that the exodus is a central theme in the Bible; it is foundational to redemptive history: the storyline of the Bible from Genesis to Revelation is a story of exile and exodus. He shows!

The aim of this book is no less than to provide an account of the unfolding of the mind of God in history, through the successive agents of his special revelation. Vos handles this under three main divisions: the Mosaic epoch of revelation, the prophetic epoch of revelation, and the New Testament. Such an historical approach is not meant to supplant the work of the systematic theologian; nevertheless, the Christian gospel is inextricably bound up with history, and the biblical theologian ...

Overview. This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Childs' lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation. Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments.

Biblical Theology of the Old and New Testaments ...

Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments. He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old. Rather, Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices, each of which retains continuing integrity and is heard on its own terms.

In Exodus Old and New, L. Michael Morales examines the key elements of three major redemption movements in Scripture: the exodus out of Egypt, the second exodus foretold by the prophets, and the new exodus accomplished by Jesus Christ. We discover how the blood of a Passover lamb helps us grasp the significance of Jesus' death on the cross, how the Lord's defeat of Pharaoh foreshadowed Jesus' victory over Satan, how Israel's exodus out of Egypt unfolds the meaning of the resurrection, and ...

The biblical theology movement was an approach to Protestant biblical studies that was popular in the United States, particularly among Presbyterians, between the 1940s and early 1960s. Heavily influenced by neo-orthodoxy, the movement sought to escape the polarization of liberal theology and Christian fundamentalism.
