Evaluating the ROI from Learning: How to Develop

Read Book Evaluating The Roi From Learning How To Develop Value Based

Value-based Training Paul Kearns Chartered Institute of Personnel and Development, 2005 This book is an essential aid for all trainers, and particularly training managers, in making sure that training is properly evaluated and fits the business needs of the organization.

Evaluating the ROI from Learning: How to Develop Value ...

Although I've attempted ROI studies using Jack Phillips' methodology, I questioned it after reading Robert Brinkerhoff's 'High Impact Learning' (another good book). Brinkerhoff calls on Phillips' practitioners to 'show me the money' if, for example, a time management programme delivers an 800% ROI valued at, say £200,000 - where does that appear on the bottom line?

Evaluating The ROI From Learning: How to Develop Value ...
