Faserland is the debut novel by Christian Kracht, published in 1995. It is considered to have triggered the new wave of German pop literature. It is the swan song of the generation of the 80s, whose characteristics are so carefully described in the book that it has been called the "cult novel of a generation".

Faserland - Wikipedia

The Roman Faserland, by Christian Kracht, explores the construction and meaning of Identity in Western, and increasingly global, consumer society. How does one construct identity in the modern age?
