The scramble for African territory had begun in earnest about 1880. At that time, the French began to expand from the West African coast toward western Sudan. The discoveries of diamonds in 1867 and gold in 1886 in South Africa increased European interest in colonizing the continent. No European power wanted to be left out of the race.

Grade 8 - Term 3: The Scramble for Africa: late 19th century. The colonisation of Africa was part of a global European process reaching all the continents of the world. European colonisation and domination changed the world dramatically. Historians argue that the rushed imperial conquest of the African continent by the European powers started with King Leopold II of Belgium when he involved European powers to gain recognition in Belgium.
