Now almost any Lotus Esprit starts from £30,000, goes up to £35,000 for anything nice, and can quickly escalate above £40,000 for top V8 SE or early cars. S4S models are also especially desirable. Interestingly, though, Sport 350s and GT3 models haven't yet shot off and are still affordable for not much more than a standard Esprit budget.

The Esprit S2.2 brought a galvanised chassis, but if you're looking at an earlier car you must inspect it from underneath. There's a layer of felt between the chassis and bodyshell. This absorbs water and corrodes the chassis, and because the top of this is hidden you must tap the metal with a hammer and listen for a crisp clang.
