Political

As in economics, a characteristic of political economy analysis is the assumption that

individual (political) agents are both self-seeking and rational.

Economics examines how rational individuals use the resources at their disposal (capital, labour, land etc) to maximise some utility function (for example, maximising

participating in markets.

In Political

2.1 Defining  
characteristics of  
political economy  
analysis

The new political  
economy area treats  
economic policies as a  
belief or action that

File Type PDF

Political

must be further  
discussed rather than as  
a framework that needs  
to be analyzed. It unites  
the ideologies of classical  
economics and new  
advances in the field of  
politics and economics.
