The Union Resettlement Framework proposed in 2016, still the subject of negotiation amongst Member States, invites states to prioritise refugees with 'social and cultural links' to the receiving country, with a somewhat contradictory requirement not to exercise discrimination while doing so. Most concerning is the provision for refugees refused resettlement by an EU Member State to be excluded from any resettlement to the EU for five years, in effect removing access to international ...

global state is forming to manage refugee problems. The very concept of "migration" emerged from the growth of national bureaucracies (Dowty 1987). Bringing the state into refugee studies, particularly to explain the origins of refugee crises, provides a realist perspective on refugees.

**Refugees, Immigrants, and the State**

As Turton states, the primary purpose of the international refugee regime is "not to protect refugees but to protect the international system of nation-states by 'normalizing' the figure of the refugee". 13 However, the increasingly restrictive asylum policies of potential receiving States means that more and more refugees cannot be normalised in this way and are living in what Bauman ...

A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely. Such a person may be called an asylum seeker until granted refugee status by the contracting state or the United Nations High Commissioner for Refugees (UNHCR) if they formally make a claim for asylum. The lead international agency coordinating refugee ...

**Refugees, Capitalism and the British State: Implications ...**

Often refugees are unwilling to return to their country of citizenship because they fear political, social, or cultural persecution. The refugees turn to other countries for protection and support. A related problem is statelessness, which occurs when one's country of citizenship has been absorbed by another nation through war or political change.

**Refugees legal definition of refugees**

A ll things considered, the 2020 election cycle was particularly generous to those on the right side of the political aisle. The presidency notwithstanding, Republicans will likely keep their hold on the Senate (pending the two runoffs in Georgia on January 5), and successfully picked up several House seats, flipped a couple of statehouses, and secured another governorship.

**Arizona's Tax Disaster: Refugees from Blue States and ...**

It authorizes the resettlement of up to 15,000 refugees in the United States in Fiscal Year 2021. The President's program reflects the Administration's continuing commitment to seeing the world as it is and not as we want it to be, especially in light of the COVID-19 pandemic, while accounting for the massive backlog in asylum cases.
