Dickens' "Life of Our Lord" is a superb publication, a somewhat hidden gem in his literature, written to teach his own children about Jesus. My purpose in writing this evaluation is not re. the work specifically, but the 1991 Nelson edition (green dust jacket, gold lettering), and the way it is described (or really, is not adequately

The Emotional Life of our Lord by B.B. Warfield. It belongs to the truth of our Lord's humanity, that he was subject to all sinless human emotions. In the accounts which the Evangelists give us of the crowded activities which filled the few years of his ministry, the play of a great variety of emotions is depicted. It has nevertheless not proved easy to form a universally acceptable conception of our Lord's emotional life.

Not only has the mystery of the Incarnation entered in as a disturbing factor, the effect of the divine nature on the movements of the human soul brought into personal union with it has been variously estimated.

the Gospel of St. Luke, Dickens hoped to teach his young children about religion and faith. Since he wrote it exclusively for his children, Dickens refused to allow publication. For eighty-five years the manuscript was guarded as a precious family secret, and it was handed down from one relative to the next. When Dickens died in 1870, it was left to his sister-in-law, Georgina Hogarth. From there it fell to Dickens's son, Sir Henry Fielding Dickens, with the admonition that it should not be published while any child of Dickens lived. Just before the 1933 holidays, Sir Henry, then the only living child of Dickens, died, leaving his father's manuscript to his wife and children. He also bequeathed to them the right to make the decision to publish *The Life of Our Lord*. By majority vote, Sir Henry's widow and children decided to publish the book in London. In 1934, Simon & Schuster published the first American edition,

This charming, nostalgic work includes illustrations of pages from the original manuscript, a portrait of Dicken's children, and engravings of biblical scenes in a style often used in family Bibles during Dicken's time.

"It belongs to the truth of our Lord's humanity," wrote B.B. Warfield, "that he was subject to all sinless human emotions." In this short volume, Warfield focusses on Christ's compassion, anger, and sorrow. Warfield (1851-1921), the last of the great Princeton theologians, was professor of theology at Princeton from 1887 until his death.

Widely proclaimed a classic work of Christian faith, *Life of Christ* has been hailed as the most eloquent of Fulton J. Sheen's many books. The fruit of many years of reflection, prayer, and research, it is a dramatic and moving recounting of the birth, life, Crucifixion, and Resurrection of Christ, and a passionate portrait of the God-Man, the teacher, the healer, and, most of all, the Savior, whose promise has sustained humanity for two millenia. With his customary insight and reverence, Sheen interprets the Scripture and describes Christ not only in historical perspective but also in exciting and contemporary terms -- seeing in Christ's life both

modern parallels and timeless lessons. His thoughtful, probing analysis provides new insight into well-known Gospel events. An appealing blend of philosophy, history, and biblical exegesis, from the best-known and most-loved American Catholic leader of the twentieth century, *Life of Christ* has long been a source of inspiration and guidance. For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read.

This companion volume to the best-selling "The View From Mount Calvary" shows readers how we are never far from encountering the lordship of Christ, no matter where we are in our biblical reading.

Respected teacher John Phillips guides readers, illustrating how the Bible provides a window through which we encounter Jesus our Lord, and discusses the many biblical events, stories, and prophecies that reflect his lordship.

Of the life and work of Jesus, the apostle John said, "Even the world itself could not contain the books that should be written" (John 21:25). Acknowledging the size of the task, as well as its importance, Dr. John F. Walvoord has written this systematic presentation of the Person and work of Christ from eternity past to eternity future. Beginning with an analysis of modern trends in the study of Christology, Dr. Walvoord shows that "contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God." The Word of God forms

the solid basis for Dr. Walvoord's entire study. Analyzing the Old Testament, he shows Christ in its history, typology, and prophecy. Then, in the New Testament, he examines the life and work of the incarnate Christ. The doctrines of atonement, redemption, propitiation, and reconciliation are thoroughly and clearly discussed. The book concludes with an examination of the present and future work of Christ, thus giving the reader a comprehensive study of Christology

Archbishop Alban Goodier, S.J. fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history, culture and his own deep spiritual insights. the person of God the Son as he faces his most tragic and triumphant moment. The author's unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years. He draws from the obvious as well as the obscure, and finds supernatural meaning in the most mundane actions that surround the suffering Christ. In the hands of this writer, the Lord's few words, accompanied by the author's commentary, challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles. The author was born in 1869 in Lancashire, northern England and educated at the prominent Catholic college, Stonyhurst, which has been the source of many English Catholic politicians, intellectuals and business people. After a degree from the University of London, he was ordained a Jesuit in 1903. He
