The Princess and the Suffragette It is 1913, and young women are ready to change their lives. All across London, women are uniting in their desire for a voice, for a vote. But life at Miss Minchin's school feels as dull as ever for Lottie, until she sneaks out one day to attend a Suffragette demonstration.

~~The Princess and the Suffragette | Holly Webb~~

The Princess and the Suffragette is a really good continuation novel to Frances Hodgson Burnett's A Little Princess. I enjoyed having an older Lottie as the central character and how Sara was there but in the background. It weaves the suffragette movement as witnessed by Lottie which I thought was done in a great way.

'The Princess and the Suffragette,' by Holly Webb. September 17, 2017 August 16, 2019 After reading, and loving, Webb's sequel to Frances Hodgson Burnett's 'The Secret Garden,' I was delighted to see learn that she had also reimagined Hodgson Burnett's beloved classic 'The Little Princess,' but set against the tempestuous backdrop of the Suffragette movement of the early 20th century.

Return to the magic of Burnett's classic tale as a brand new character finds her voice and uncovers the truth. Lottie dreams of leaving the strict care of Miss Minchin's boarding school, just like her friend Sara Crewe did years ago. But Lottie's mother is gone, and her father has found reasons not to visit her for the past two years. When he rejects an invitation to come visit for her eleventh birthday, Lottie's sure he's ashamed of her for some reason. To temper her heartbreak, Lottie plans a secret little rebellion that she knows he'll hate—she purchases a trinket from the Suffragettes with the birthday money he sent her. But when Lottie learns more about the Suffragette's mission, she begins to see the world with new eyes. And as she follows the women's movement, Lottie discovers a secret about her missing mother that could change her world forever...

It is 1913, nine years after the end of A Little Princess saw Sara Crewe escape Miss Minchin's orphanage. Lottie, the smallest girl from the original story, learns about the Suffragette movement from Sara, who returns to visit from time to time. Soon Lottie finds herself sneaking out of the orphanage to attend a demonstration, in defiance of her cold, distant father. A father who has a secret to hide about her own missing mother... It's a story about lost mothers turning up in unexpected situations, the power of friendship and female empowerment.

Follows the princess who, at the age of thirty-one, secretly went to India and returned as a revolutionary to fight for Indian Independence, the welfare of Indian soldiers in World War I, and, above all, women's suffrage.

Shortlisted for the Slightly Foxed Best First Biography Prize Winner of the Eastern Eye Alchemy Festival award for Literature In 1876 Sophia Duleep Singh was born into royalty. Her father, Maharajah Duleep Singh, was heir to the Kingdom of the Sikhs, a realm that stretched from the lush Kashmir Valley to the craggy foothills of the Khyber Pass and included the mighty cities of Lahore and Peshawar. It was a territory irresistible to the British, who plundered everything, including the fabled Koh-I-Noor diamond. Exiled to England, the dispossessed Maharajah transformed his estate at Elveden in Suffolk into a Moghul palace, its grounds stocked with leopards, monkeys and exotic birds. Sophia, god-daughter of Queen Victoria, was raised a genteel aristocratic Englishwoman: presented at court, afforded grace-and-favour lodgings at Hampton Court Palace and photographed wearing the latest fashions for the society pages. But when, in secret defiance of the British government, she travelled to India, she returned a revolutionary. Sophia transcended her heritage to devote herself to battling injustice and inequality,a far cry from the life to which she was born. Her causes were the struggle for Indian independence, the fate of the Lascars, the welfare of Indian soldiers in the First World War – and, above all, the fight for female suffrage. She was bold and fearless, attacking politicians, putting herself in the front line and swapping her silks for a nurse's uniform to tend wounded soldiers evacuated from the battlefields. Meticulously researched and passionately written, this enthralling story of the rise of women and the fall of empire introduces an extraordinary individual and her part in the defining moments of recent British and Indian history.

Rebel, Princess, Suffragette: this is the incredible true story of the life of Princess Sophia Duleep Singh, a forgotten heroine of the early twentieth century.

An enchanting sequel to Frances Hodgson Burnett's A Little Princess, written by the award-winning Hilary McKay.

My Story: Princess Sophia Duleep Singh - the thrilling story of the princess and suffragette. Born in Britain to Indian and Egyptian parents, Princess Sophia Duleep Singh was a prominent suffragette and campaigned for the women's right to vote. Explore Sophia's incredible life with My Story. Perfect for any child wanting to learn more about history's untold stories Great background reading for Key Stage 2 & 3 My Story: exciting stories with reliable and accurate historical detail Experience history first-handwith My Story.

Brilliant debut historical adventure from writer and comedian Iszi Lawrence, perfect for fans of Emma Carroll, The Princess and the Suffragette, and Opal Plumstead. The story of the suffragettes with the Jiu Jitsu and roller skating left in... this impeccably researched debut novel from Iszi Lawrence shows the fight for women's suffrage as it really was. Lettice Pegg's father is a working-class policeman and her mother is a middle-class suffragette. Stuck between them (and her terrifying grandma) as they argue, Lettice mostly cares about trying to fit in at school and convincing her parents to let her have roller skates and go to the music hall. But, when Lettice sees her mother brutally thrown to the ground by a policeman while on a protest march, her life changes forever. Not all of the women on the march are vulnerable to attack. Some of them have a secret weapon: Jiu Jitsu. As the suffragettes welcome Lettice to the fight back, things at home go from bad to worse. Can Lettice bring her family back together and keep her new friends?

One City. One Movement. A World of Stories. Stories from Suffragette City is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. Thirteen of today's bestselling authors have taken this moment as inspiration to raise the voices of history and breathe fresh life into their struggles and triumphs. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women's suffrage movement so that every woman's voice can be heard. Each story stands on its own, but together Stories From Suffragette City becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. With an introduction by Kristin Hannah and stories from: Lisa Wingate M.J. Rose Steve Berry Paula McLain Katherine J. Chen Christina Baker Kline Jamie Ford Dolan Perkins-Valdez Megan Chance Alyson Richman Chris Bohjalian and Fiona Davis
