3 reviews. The 1850s offered the last remotely feasible chance for the United States to steer clear of Civil War. Yet fundamental differences between North and South about slavery and the meaning of freedom caused political conflicts to erupt again and again throughout the decade as the country lurched toward secession and war. With their grudging acceptance of the Compromise of 1850The 1850s offered the last remotely feasible chance for the United States to steer clear of Civil War.
